

DESERTIFICATION

Restore the Land.
Unlock the Opportunities.

DROUGHT DAY 2025

Miss Anongnat Chakaew, Secretariat of Minister of Agriculture and Cooperatives.

17 June 2025, Miss Anongnat Chakaew, Secretariat of Minister of Agriculture and Cooperatives presided over the Desertification and Drought Day 2025 at Grand Richmond Stylish Convention Hotel. Mr. Taweesak Thana-Dachopol, Director General of Land Development Department and National Focal Point of Thailand to UNCCD and senior executives joined the event.

THAILAND ORGANIZED “DESERTIFICATION AND DROUGHT DAY 2025”

on Restore the Land. Unlock the Opportunities. The event aimed to raise awareness about land restoration, prevention, and solutions to problems related to desertification, land degradation, and drought by creating awareness among government agencies, the private sector, and civil society. As well as to strengthen and develop the participation of all sectors in the implementation of the United Nations Convention to Combat Desertification (UNCCD).

Mr. Taweesak Thana-Dachopol, Director General of Land Development Department, giving a speech as a National Focal Point of Thailand to UNCCD.

Dr. Raweewan Bhuridej, Director of Office of the National Land Policy Board, giving a speech about "The role of land tenure in the country's economic development".

Approximately 130 representatives from the Ministry of Agriculture and Cooperatives, farmers, Volunteer soil doctors, and members of the general public, including those who watched the event live on Facebook, participated in Desertification and Drought Day in 2025.

an exhibition from all relevant divisions under the concept of "Restore the Land. Unlock the Opportunities".

an academic forum under the theme of 'How land is linked to economic opportunities.'

During the event, Thailand has organized 2 main activities for this year's Desertification and Drought Day, including an exhibition from all relevant divisions under the concept of "Restore the Land.
